***Support request for the joint International ELBCC/Lobsterpot & LBCA
ILC symposium and Summer School 2022***

Dear Madam, Sir,

We kindly request financial support to organize **the International ELBCC/Lobsterpot ILC Symposium and Summer School**, which will take place on **June 20-21 2022** at **De Zalen van Zeven**, Location Boothstraat Kerk, **Utrecht, The Netherlands**.

This will be the 1st International edition of the ELBCC/Lobsterpot ILC meeting, co-organized in conjunction with the Lobular Breast Cancer Alliance (LBCA). Our Symposium and Summer School is an annual event partly supported by the European Cooperation in Science and Technology (COST action *Lobsterpot* 19138).

The overarching aim of the ELBCC/Lobsterpot is to **centralize efforts that bridge basic science, translational efforts, and clinical strategies to understand and treat Invasive Lobular Breast Cancer (ILC)**. **Our target audience are clinicians and clinically oriented scientists** who are focused on understanding and treating ILC. Integral and essential contributions come from the EBCC Patient Advocates and their sister organization LBCA.

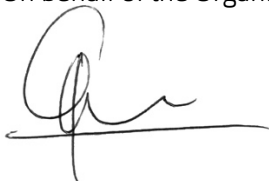

Our program consists of a Summer School, poster sessions and **two keynote lectures** by internationally recognized top researchers; Profs. **Steffi Oesterreich** (University of Pittsburgh Medical Center) and **Sabine Linn** (The Netherlands Cancer Institute). We expect approximately 150 participants. Invited speakers include Drs. Jorge Reis Filho (Memorial Sloan Kettering), Chris Lord (ICR London), Ron Bose (Washington U) and Cathrin Brisken (EFPL).

To successfully organize this joint ELBCC/Lobsterpot & LBCA ILC Symposium and Summer School, we depend on sponsoring by external partners. Hence, we would like to ask for your financial support. On the second page of this document, you can find the options for sponsoring and the benefits we can offer you in return for sponsorship.

If you are interested, please confirm the sponsor option (Platinum, Gold, Silver, Bronze) and the billing information to Nikki Giron (by e-mail to N.Giron@umcutrecht.nl). Please CC: Symposium2022@elbcc.org. Alternatively, we would also very much appreciate sponsoring of catering (approx. €3000) or the closing dinner (approx. €8000). If you require a sponsor contract, please address this to UMC Utrecht and send it to us by May 15th 2022 N.Giron@umcutrecht.nl. Further info for preparing the sponsor contract is on the second page of this document.

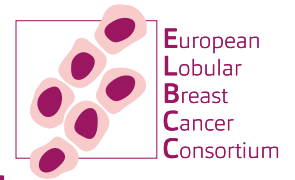

We sincerely thank you in advance,

On behalf of the Organizing Committee,

Patrick Derksen, PhD (UMC Utrecht).

The Joint International ELBCC/Lobsterpot & LBCA ILC Symposium and Summer School
