

AVAILABILITY OF BCRF TRAVEL FELLOWSHIPS FOR ATTENDEES TRAVELING TO ILC SYMPOSIUM IN UTRECHT FROM THE US

We are grateful for **BCRF** for sponsoring faculty, trainees and patient advocates from the US attending the ILC Symposium in Utrecht.

We will be able to provide **travel fellowships** at the amount of \$1,500 (faculty and patient advocates) and \$1,000 to trainees (graduate and medical students, postdoctoral fellows, and physicians-in-training). We especially encourage junior faculty, and attendees from groups traditionally underrepresented in cancer research.

We strongly encourage trainees to submit abstracts.

Please submit:

- 1) **Abstract (if appropriate)**
- 2) **Biosketch**
- 3) **Patient Advocates only: A brief description of prior advocacy experience and why you would like to attend the ILC Symposium (max 1 page)**
- 4) **Faculty and trainees: Summary of your interest in ILC (max 1 page)**

Applications are due 04/22/2022. Please submit as one PDF to Nadine Ryan at ryann@upmc.edu. The applications will be reviewed by a committee of BCRF-funded investigators attending the ILC Symposium, the Symposium's Organizing Committee, and two patient advocates.
